

## God Bless This Mess

Sheryl Crow

Daddy's in the hallway  
Hanging pictures on the wall  
Mama's in the kitchen  
Making casseroles for all  
My brother came home yesterday  
From somewhere far away  
He doesn't look like I remember  
He just stares off into space  
He must've seen some ugly things  
He just can't seem to say

God bless this mess  
God bless this mess

Got a job in town  
Selling insurance on the phone  
With Robert and Teresa  
And two con men from back home  
Everyone I call up doesn't have the time to chat  
Everybody is so busy doing this and doing that  
Something has gone missing

And it makes me kinda sad, oh

God bless this mess  
God bless this mess  
God bless this mess

Heard about the day  
that two skyscrapers came down  
Firemen, policemen  
And people came from all around  
The smoke covered the city  
And the body count arise  
The president spoke words of comfort  
With tears in his eyes  
Then he led us as a nation  
Into a war all based on lies, oh

God bless this mess  
God bless this mess  
God bless this mess  
God bless this mess
