

Good Is Good

Sheryl Crow

1. Good is good, and bad is bad
But you don't know which one you had
She put your books out on the
sidewalk now they're blowing round
They won't help you when you're down

2. Love's on your list of things to do
To bring your good luck back to you
And if you think that everything's unfair
Would you care if you're the last one standing there

- R: And everytime you hear the rolling thunder
You turn around before the lightning strikes
And does it ever make you stop and wonder
If all your good times pass you byyyy...

3. I don't hold no mystery
But I can show you how to turn the key
Cause all I know is where I started
So down hearted and that's not where you want to beeee...

- R: Then everytime you hear the rolling thunder
You turn around before the lightning strikes
And you could find a rock to crawl right under
And that your good times pass you byyyy...

- *: When the day is done
And the world is sleeping
And the moon is on its way to shine
All your friends are gone
You thought were so worth keeping
You feel you don't belong
But you don't know why

- R: And everytime you hear the rolling thunder
You turn around before the lightning strikes
And does it ever make you stop and wonder
If all your good times pass you byyyy...

- Everytime you hear the rolling thunder
And you turn around before the lightning strikes
Well does it ever make you stop and wonder
If all your good times pass you byyyy...

- *: When the day is done
And the world is sleeping
And the moon is on its way to shine, shine
All your friends are gone
You thought were so worth keeping
You feel you don't belong
Neither do I.
