

## It's Only Love

Sheryl Crow

I think I met my match again  
Standing round the candlelight  
In the middle of this blizzard  
You stood and melted all the ice o

It's only love  
It's only love

If only love comes round again  
It will have been  
Worth the ride o  
You were master of so many  
Savior to none  
I waged all of my hopes so plenty on you  
Now look what I've become

It's only love  
It's only love

Sometimes lonely is not only a word  
But faces I have known  
And if you see me could you free me with a smile  
So I can let go

It's only love  
It's only love
