

## Lonely Alone

Sheryl Crow

I heard you say bartender make it strong  
I had to guess your lover's gone  
I don't know and you don't know me  
But there's no reason to be lonely alone

Is this seat taken, do you like this song?  
Do you tear up when it comes on?  
You know it's always the same for me  
For there's no reason to be lonely alone

How 'bout a friend that looks like me?  
A little gem, a little misery  
We could use a little company  
Maybe honey that's what we could be

You probably heard this line a thousand times  
But you seem like someone I have known  
Is it the mesquite or do you agree  
There's no reason to be lonely alone

How 'bout a friend that looks like me?  
A little gem, a little misery  
We could use a little company  
Maybe honey that's what we could be

Bartender say's it's closing time  
You go your way and I'll go mine  
Don't want you thinkin' that I'm easy  
There's no reason to be lonely alone  
There's no reason to be lonely alone
