Sheryl Crow

Living my life in a slow hell
Different girl every night at the hotel
I ain't seen the sun shine in 3 damn days
Been fueling up on cocaine and whiskey
Wish I had a good girl to miss me
Lord I wonder if I'll ever change my ways
I put your picture away
Sat down and cried today
I can't look at you while I'm lying next to her
I put your picture away, sat down and cried today
I can't look at you, while I'm lying next to her

I called you last night in the hotel
Everyone knows but they wont tell
But their half-hearted smiles tell me
Something just ain't right
I been waiting on you for a long time
Fueling up on heartaches and cheap wine
I ain't heard from you in 3 damn nights
I put your picture away
I wonder where you been
I can't look at you while I'm lying next to him
I put your picture away
I wonder where you been
I can't look at you while I'm lying next to him
I saw you yesterday with an old friend

It was the same ole same "how have you been"
Since you been gone my worlds been dark & grey
You reminded me of brighter days
I hoped you were coming home to stay
I was headed to church
I was off to drink you away

I thought about you for a long time
Can't seem to get you off my mind
I can't understand why we're living life this way
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I found your picture today
I swear I'll change my ways
I just called to say I want you to come back home
I just called to say, I love you come back home
