Sheryl Crow

Living my life in a slow hell  
Different girl every night at the hotel  
I ain't seen the sun shine in 3 damn days  
Been fueling up on cocaine and whiskey  
Wish I had a good girl to miss me  
Lord I wonder if I'll ever change my ways  
I put your picture away  
Sat down and cried today  
I can't look at you while I'm lying next to her  
I put your picture away, sat down and cried today  
I can't look at you, while I'm lying next to her

I called you last night in the hotel  
Everyone knows but they wont tell  
But their half-hearted smiles tell me  
Something just ain't right  
I been waiting on you for a long time  
Fueling up on heartaches and cheap wine  
I ain't heard from you in 3 damn nights  
I put your picture away  
I wonder where you been  
I can't look at you while I'm lying next to him  
I put your picture away  
I wonder where you been  
I can't look at you while I'm lying next to him  
I saw you yesterday with an old friend

It was the same ole same "how have you been"  
Since you been gone my worlds been dark & grey  
You reminded me of brighter days  
I hoped you were coming home to stay  
I was headed to church  
I was off to drink you away

I thought about you for a long time  
Can't seem to get you off my mind  
I can't understand why we're living life this way  
I found your picture today  
I swear I'll change my ways  
I just called to say I want you to come back home  
I found your picture today  
I swear I'll change my ways  
I just called to say I want you to come back home  
I just called to say, I love you come back home
