

Steve McQueen

Sheryl Crow

1. Well I went to bed in Memphis, and I woke up in Hollywood
I got a quarter in my pocket, and I'd call you if I could
But I don't know why, I gotta fly

2. I wanna rock and roll this party, I still wanna have some fun
I wanna leave you feeling breathless, show you how the west was won
But I gotta fly, I gotta fly

R: Like steve mcqueen all I need's a fast machine
I'm gonna make it all right (ooh ooh)
Like steve mcqueen underneath your radar screen
You'll never catch me tonight (ooh ooh)

3. I ain't takin sh*t off no one, baby that was yesterday
I'm an all American rebel, making my big getaway
Yeah you know it's time I gotta fly

R: Like steve mcqueen all...

Like steve mcqueen (2x)

*: We got rock stars in the white house and all our pop stars look like porn
All my heroes hit the highway cuz they don't hang out here no more
You can try me on my cell phone, you can page me all night long
But you won't catch this free bird I'll already be long gone

R: Like steve mcqueen all we need's a fast machine
We're gonna make it all right (ooh ooh)
Like steve mcqueen underneath your radar screen
You'll never catch us tonight (ooh ooh)

Like steve mcqueen all we need's a fast machine
We're gonna ride it all night (ooh ooh)
Like steve mcqueen underneath your radar screen
You'll never catch me tonight (ooh ooh) (ooh ooh)
