

# Strangers Again

Sheryl Crow

Sea salt going up and down  
You jump off and not come crashing down  
How hard could it really be  
For you to find something nice to say to me?

Baby it'll just take time  
For you to look me straight in the eye  
I don't know why you treat me this way  
Like I'm a criminal (criminal)  
I say...

Oh, isn't love strange?  
Oh, as it starts to change  
Oh, lovers and friends  
Go back to being strangers again

You were someone that I knew  
From being at the same place our friends go to  
I like how you didn't really care  
If anyone saw us making out over there

Eventually, you lost that fight  
Did she look at you with these eyes?  
I don't know why you treat me this way  
Like I'm a criminal  
You say

Oh, isn't that strange?  
Oh, you know it's bound to change  
Oh, lovers and friends  
Go back to being strangers again

Say hello, say goodbye  
A hundred times in your life  
It's for the best, but it's still so sad  
A little more understanding wouldn't be so bad

Oh, you know it's bound to change  
Oh, lovers and friends  
Go back, go back  
Oh, isn't that strange?  
Oh, you know it's bound to change  
Oh, lovers and friends  
Go back to being strangers  
Being strangers again
