## **The Worst**

**Sheryl Crow** 

Well I said from the first I am the worst kinda girl For you to be around Tear me apart Including this old heart That is true Never ever put you down

You shouldn't stick with me Trust me too much you see Take all the hate, it's yours anyway Get out, kid

Who put the blame on me? You oughta pass you see Somewhere outside Through [?] Now it's a tragedy

I said from the first That I am the worst kind of girl For you to be around
