

# Tomorrow Never Dies

Sheryl Crow

Gm(maj7)

1. Darling I'm killed,  
I'm in a puddle on the floor,  
Waiting for you to return.

Gmi Gm(maj7)

Oh what a thrill,  
Fascinations galore,  
How you tease, how you leave me to burn.  
It's so deadly my dear,  
The power of having you near.

R: Until the day,  
Until the world falls away.  
Until you say there'll be no more goodbyes.  
See it in your eyes,  
Tomorrow never dies.

2. Darling you won, it's no fun,  
Martini's, girls and guns,  
It's murder on our love affair.  
It's you, that's your life, every night,  
While you're chasin' the morning light.  
You're not the only spy out there.  
It's so deadly my dear,  
The power of wanting you near.

R: Until the day...  
...  
Tomorrow never dies.

R: Until the day,  
Until the world falls away.  
Until you say there'll be no more goodbyes.  
See it in your eyes

\*: Until the day,  
Until the day,  
Until the day...
