

Where Has All the Love Gone

Sheryl Crow

Today I saw the strangest thing on the evening news
A man who wasn't sad at all about what's going on
And even though I'm trying to smile
With everything I see it could take a while

I've been looking everywhere I go
Where has all the love, where has all the love gone?
I've been looking all around to know
Where has all the love, where has all the love gone?

Yesterday I heard you say you never close your eyes
Sometimes the world's a scary ride, it's hard to hang on
Along the way we got off track
Now if we turn around can we ever get back?

I've been looking everywhere I go
Where has all the love, where has all the love gone?
I've been looking all around to know
Where has all the love, where has all the love gone?
Where has all the love gone?
I know it was there when we were gone

Today I saw the flag roll by on a wooden box
And if it's true we've lost our way
Then what have we got?

I've been looking everywhere I go
Where has all the love, where has all the love gone?
I've been looking all around to know
Where has all the love, where has all the love gone?

I've been looking all around to know
Where has all the love, where has all the love gone?

Today I saw the strangest thing
