

# Starry Eyed Surprise

Shifty

Hey DJ  
Tonight  
Im seeing stars

Once again, I find myself with my friends  
Dancing the night away  
Its like the party never ends  
Then again we dont want it to stop  
Cause tonights the night  
It goes sweatbox, laser beams, flashing lights  
Wild cards, Men from Mars  
Dressed in Stars and stripes  
Eclectic electric  
Ladies of the evening  
Drinking booze and mingling  
Mashing to the music, I can do anything  
Freaky dicky star speckles and pink butterflies  
And life is nice, so nice.  
I walk into a club and Ive found paradise  
Im seeing stars, I cant believe my eyes

Oh my starry eyed surprise, sundown to sunrise  
Dance all night  
We're gonna dance all night  
Dance all night to this DJ  
Ah Sugar, dance all night to this DJ

Like the record spins on the trails we blaze  
The walls are closing in but thats ok  
Because Ive been waiting all week to feel this way  
And it feels so good, so good  
I'm on top of the world  
The coolest kid in the neighbourhood  
So let me be your star for one night, that's right  
Sweatbox, laser beams, flashing lights  
You've got to feel the rush  
Feel the spice of life, love-life  
Shifty rolls the dice snake eyes surprise  
Iceing..Mesmorizing.  
The minds are sick ones  
Cause what we are, is victims of fun  
Come on, come on, the fun is just begun  
Come on the fun is just begun.. Ha Ha!!
