Shihad

Speed is our god  
Speed  
The new cannon of beauty  
Caught in static ecstasy  
We climb

Keep moving onward  
Keep moving forward  
Keep moving onward  
Down  
Ideas left in torment  
Ideas left to drown

Stuck  
Stuck  
Stuck  
Stuck  
Stuck in the factory  
Stuck

Stuck  
Stuck  
Stuck in the factory  
Stuck

Growth is our motto  
Why  
Well the answer's in productivity  
Gotta give up what's mine  
Got to fall into line

Confused, pathetic and manic  
Splintered entirety  
Spear-like shard  
Breaking hard  
We should be breaking you

Stuck  
Stuck  
Stuck  
Stuck  
Stuck in the factory  
Stuck

Stuck  
Stuck  
Stuck in the factory  
Stuck

Keep moving onward  
Keep moving forward  
Keep moving onward  
Down

Keep moving onward  
Keep moving forward  
Keep moving onward

Down

Keep moving onward  
Keep moving forward  
Keep moving onward  
Down

Keep moving onward  
Keep moving forward  
Keep moving onward  
Down
