

# Get My Chance

Shihad

You

You didn't care about the ones you left behind  
And now comes the time  
I'll make you sick  
I'll make the world a better place for ya now  
For ya now

I'll make you sorry  
I did it my way

Bring it back to you  
It's not easy to do  
Bring it back to you  
It's not easy to do  
Bring it back to you  
No doubt  
When I get my chance

You

I don't care that I'm the one that you despise  
Just close your eyes  
I'll make you sick  
I'll make the world a better place for ya now  
For ya now

I'll make you sorry  
I did it my way

Bring it back to you  
It's not easy to do  
Bring it back to you  
It's not easy to do  
Bring it back to you  
No doubt  
When I get my chance

When I get my chance  
I'll be invincible  
Accelerate to where we need you all  
And make it look easy

Bring it back to you  
It's not easy to do  
Bring it back to you  
It's not easy to do  
Bring it back to you  
No Doubt  
When I get my chance

Bring it back to you  
It's not easy to do  
Bring it back to you  
It's not easy to do  
Bring it back to you  
No Doubt  
Bring it back to you  
Bring it back to you

No Doubt  
When I get my chance
