

## One Will Hear The Other

Shihad

Time has a way of casting doubt  
Life is a cage they let you out  
So fly while you can...

So little time don't let it go to waste  
Hold your ground don't throw it all away  
And take a chance now

One will hear the other  
One will heal the other  
One will free the other  
It's all the same. Same. Same

So talk. Let 'em know you feel this way  
We all have got something good to say  
Seek and you'll find...

So little time don't let it go to waste  
Hold your ground don't throw it all away  
And take a chance now

One will hear the other  
One will heal the other  
One will free the other  
It's all the same. Same. Same

So little time don't let it go to waste  
Hold your ground...  
Don't throw it away.
