

Diamond Eyes

Shinedown

I am the shadow, and the smoke in your eyes
I am the ghost, that hides in the night

Boom-lay boom-lay, boom, Boom-lay boom-lay, boom, Boom-lay boom-
lay, boom, Boom-lay boom-lay, boom

Wait, wait a minute take a step back,
Gotta think twice before you react.
So stay, stay a little while cause a promise
Not kept is the road to exile
Hey, what's the circumstance
You'll never be great without taking a chance
So, wait you waited too long
Had your hands in your pocket
When you should've been gone.

(Boom-lay boom-lay boom)
One push is all you need
(Boom-lay boom-lay boom)
This is philosophy.
(Boom-lay boom-lay boom)
We watch with wounded eyes.
(Boom-lay boom-lay boom)
So I hope you recognize.

Out on the front line, don't worry I'll be fine
The story is just beginning
I say goodbye to my weakness, so long to the regrets
And now I see the world through diamond eyes

Damn, damn it all down
Took one to the chest without even a sound
So, what, what do you want
The things you love or the people you hurt
Hey, it's like deja vu suicidal maniac with nothing to lose
So wait, it's the exception to the rule
Everyone of us is expendable

(Boom-lay boom-lay boom)
One push is all you need
(Boom-lay boom-lay boom)
This is philosophy.
(Boom-lay boom-lay boom)
We watch with wounded eyes.
(Boom-lay boom-lay boom)
So I hope you recognize.

Out on the front line, don't worry I'll be fine
The story is just beginning
I say goodbye to my weakness,
So long to the regrets
And now I know that I'm alive

Out on the front line, don't worry I'll be fine
The story is just beginning
I say goodbye to my weakness so long to the regrets
And now I see the world through

Diamond Eyes

Every night of my life I watch angels fall from the sky
Every time that the sun still sets
I pray they don't take mine

I'm on the front line, don't worry I'll be fine
The story is just beginning
I say goodbye to my weakness so long to regrets

Out on the front line, don't worry I'll be fine
The story is just beginning
I say goodbye to my weakness so long to the regrets
And now I know that I'm alive

Out on the front line, don't worry I'll be fine
The story is just beginning
I say goodbye to my weakness, so long to the regrets
And now I see the world through diamond eyes

Out on the front line, don't worry I'll be fine
The story is just beginning
(The story is just beginning)
I say goodbye to my weakness,
So long to the regrets
And now I see the world through
Diamond eyes
