

I Feel The Earth Move

Shinedown

I feel the earth move under my feet
I feel the sky tumblin' down
I feel my heart start to trembe
Whenever you're around

Oh baby (oh baby), when I see your face
Mellow as the month of May
Oh darlin', I can't stand it
When you look at me that way

I feel the earth move under my feet
I feel the sky tumblin' down
I feel my heart start to tremble
Whenever you're around
Whenever you're around

I feel the earth move under my feet
I feel the sky tumblin' down
I feel my heart start to tremble
Whenever you're around

Oh darlin' (oh darlin'), when you're near me
And you tenderly call my name
I know that my emotions
Are something I just can't tame

I feel the earth move under my feet
I feel the sky tumblin' down
I just lose control
Down to my very soul
All over, all over, all over...

I feel the earth move under my feet
I feel the sky tumbling down
Tumbling down
Tumbling down
Tumbling down
Tumbling down
Oh! Yeah!
