

# Miracle

Shinedown

Say it once, tell me twice  
Are you certain I'm alright?  
Just a sign, to remind me  
That tomorrow's worth the fight  
Ever changing the storyline that keeps me alive

So make a wish, and say...

Give me life, give me love  
Scarlet angel from above  
Not so low, not so high  
Keep it perfectly disguised

Every changing the storyline that keeps me alive  
My Mona Lisa's making me smile  
Right before my eyes!

Take another look  
Take a look around  
It's you and me  
It's here and now  
As you sparkle in the sky  
I'll catch you while I can  
Cause all we are is all I am

I just want you to see  
What I've always believed  
You are...  
The miracle in me

Show me faith, like you do  
I'm amazed at how you move  
Side to side, front to back  
You know how to make it last

Ever changing the storyline that keeps us alive  
My Mona Lisa's making me smile  
Right before my eyes!

Take another look  
Take a look around  
It's you and me  
It's here and now  
As you sparkle in the sky  
I'll catch you while I can  
Cause all we are is all I am

I just want you to see  
What I've always believed  
You are...  
The miracle in me

These are the moments you can't pass back  
Let's turn the water to wine  
One more time!

Take another look

Take a look around  
It's you and me  
It's here and now  
As you sparkle in the sky  
I'll catch you while I can  
Cause all we are is all I am

I just want you to see  
What I've always believed  
You are...  
The miracle in me

The miracle in me  
You're the miracle in me
