

# My Name (Wearing Me Out)

Shinedown

My name is worthless like you told me I once was  
My name is empty cause you drained away the love  
My name is searching since you stole my only soul  
My name is hatred of the reasons we both know

Worthless, empty, searching, hatred  
Well who am I right now?

You're fuckin' wearing me out!  
You're always dragging me down!  
You're the fake, fallen, force of nature, sick mind  
I don't need a gun to take back what's mine  
It's over  
It's over now  
You're done wearing me out

My name is screaming like the sound of your heart failing  
My name is loco like the motive that betrayed me

Screaming, loco, don't say you know  
Who I am right now

You're fuckin' wearing me out!  
You're always dragging me down!  
You're the fake, fallen, force of nature, sick mind  
I don't need a gun to take back what's mine  
It's over  
It's over now  
You're done wearing me out

You're wearing me out (6x)

You'll be ancient history  
But who am I right now?

My name is revenge and I'm here to save my name

You're fuckin' wearing me out!  
You're always dragging me down!  
You're the fake, fallen, force of nature, sick mind  
I don't need a gun to take back what's mine  
(You're fuckin' wearing me out)  
It's over  
(You're always dragging me down)  
It's over

You're the fake, fallen, force of nature, sick mind  
I don't need a gun to take back what's mine  
It's over  
It's over now  
You're done wearing me out
