Save Me

Shinedown

Well I've got a candle, and I've got a spoon. I live in a hallway with no doors and no rooms. Under a window sill they all were found, a touch of concrete within the doorway without a sound.

Someone save me if you will, and take away all these pills. And please just save me if you can from my blasphemy in my wasteland.

How did I get here? And what went wrong? Couldn't handle forgiveness, now I'm far beyond gone. And I can hardly remember the look of my own eyes. How could I love this, a life so dishonest, It made me compromise.

Someone save me if you will, and take away all these pills. And please just save me if you can from my blasphemy in my wasteland.

Jump In the water Jump in with me Jump on the alter Lay down with me The hardest question to answer is why

Someone save me if you will, and take away all these pills. And please just save me if you can from my blasphemy in my wasteland.

Someone save me Someone save me Somebody save me Somebody save me Please don't erase me
