

# Punch Drunk Love

SHINee

Wo wo~ One! The stars in your eyes go twinkle!  
Two! I'm shocked by your smile  
Like I've been hit with a punch, I can't come to my senses  
I feel like fainting  
(Feels like my breath will stopped, feels like my breath will stop)

I slightly steal a glance at you  
You slightly narrow the distance between us  
You hook me in and dig into my heart

Wo oh oh oh  
Punch! One Two!  
I can't come to my senses, no no, can't come to my senses  
Punch! Knock Down!  
I have fainted because of your love  
Punch! One Two!  
I can't escape you, no no, I am cornered  
Punch! Knock Down!  
I have fainted because of your love

You have no empty cracks  
I stretch my fist into empty air  
Like a butterfly, you lightly avoid me  
I keep chasing after you  
(Feels like I'm possessed, feels like I'm possessed)

Now I throw in my towel  
But still, you put up your guard  
Without time to come to my senses, you dig into my empty spot again

Wo oh oh oh  
Punch! One Two!  
I can't come to my senses, no no, can't come to my senses  
Punch! Knock Down!  
I have fainted because of your love  
Punch! One Two!  
I can't escape you, no no, I am cornered  
Punch! Knock Down!  
I have fainted because of your love

Oh! Punch! Knock Down!  
I think I have fallen in love (I have fainted again)  
No no (I have fainted again) I think I have fallen in love  
Punch Drunk Love  
I am drunk off your love

Wo oh oh oh Punch!  
No matter how many times I fall, I like it  
I will keep throwing jabs at you  
I don't know when but some day, you will faint because of me too  
Punch! Knock Down!  
I have fainted because of your love  
Punch! Knock Down!  
I can't escape you, no no, I am cornered  
Punch! Knock Down!  
I have fainted because of your love

No no, I am drunk off your love  
I am drunk off your love  
No no, I am KOed by your love

Punch! Knock Down!  
I have fainted because of your love
