

Sherlock

SHINee

SHINee's Back, SHINee's Back, SHINee's Back Back Back Back Back

From now, all stop, whomever it is
No one can leave this scene, don't be nervous in this explicit situation
I'm already more free in the secret room

I won't miss even a single trembling breath of yours
The jewel of the heart that I've secretly been aiming for
I'm already aware of your anxious eyes
I've found you on the dragon's board, I'm freeze!

You, with an innocent face
You shake my heart and look for a chance
Two answers (two answers)
Explode like a firework in a long night, baby

Oh I'm curious yeah
You smile from the picture at the moment, why
Oh I'm so curious yeah
I'm so curious yeah

For over a hundred times, I think about you and forget about you
The question that fills up my head, what is it that you want

This moment that flows into my heart without a sound
It swirls

Oh I'm curious yeah
You walk out from the picture at the moment, why
Oh I'm so curious, yeah
I'm so curious yeah

You don't exist in front of me right now
I know that for sure but I'm going to interrogate you
Your lips know the answer that I want
It shines and disappears

You might have already known my heart
It wasn't locked firmly to you from the beginning

The suspect is in here
No one can leave
You and I, or anyone
Everything about you
I have found evidence
I will certainly find you (Explode baby)

Oh I'm curious yeah
You walk out from the picture at the moment, why
Oh I'm so curious, yeah
I'm so curious yeah

Tonight SHINee's in the house wooo hoo
So give it up give it up give it up for SHINee
Give it up give it up give it up for SHINee
