

Dr Jekyll and Mr Hyde

Shining Fury

Get out of me!
You don't know why but you must to escape....
Get out of here! Listen to me,
I don't want to lose my self - control!!!
Go away now!
I could take your head with my hands again...
Please cut the words!!!!
This time I feel that I can't stop my bad blood no more.

Now you'll see the amazing change o' me
'cause I can't stop myself:
DEATH & FURY
REVULSION-FEROCIOUS
I'm gonna be the evil
I'm gonna be the monster that now you can't kill!!!!
Open now your eyes, yeah this is the time
The great time to die!!!

"Life is a lie filled of pain"
So, I can't face no more crying - sorrow:
help me 'cause I'm lost!

I am the mad! That want to kill everybody you too!!!
Hold on to me! Listen to me:

" Life is a lie filled of pain "
So, I can't face no more crying - sorrow:
