## Shiny Toy Guns

oh oh oh oh oh (2x)

Everyone living in ghost town  
everyone buried in waste land  
we dont want to  
we dont have to be like that  
living in ghost town  
all the boys shouting out loud now  
all the girls screaming out louder  
we dont want to  
we dont have to live like that  
oooooooooh oooooohhhhhhhh

hold me back you know were never gonna back down  
hold me back you know were never gonna back down  
now! were dead in this ghost town  
you better let go so let go let go of me  
were dead in this ghost town  
you better let go so let go let go of me  
oh oh oh oh  
oh oh oh oh oh, let go let go of me  
oh oh oh oh  
oh oh oh oh oh, let go let go of me

Everyone living in ghost town  
everyone buried in waste land  
we dont want to  
we dont have to be like that  
living in ghost town  
all the boys shouting out loud now  
all the girls screaming out louder  
we dont want to  
we dont have to live like that  
oooooooooh oooooohhhhhhhh

hold me back you know were never gonna back down  
hold me back you know were never gonna back down  
now! were dead in this ghost town  
you better let go so let go let go of me  
were dead in this ghost town  
you better let go so let go let go of me  
oh oh oh oh  
oh oh oh oh oh, let go let go of me  
oh oh oh oh  
oh oh oh oh oh, let go let go of me

It's nearly over, the last train is near  
And it's leaving behind those tears  
These are the bad lands  
The worst place to fear  
Making place for the ones we left here  
They're calling calling  
To say goodbye

Now! Were dead in this ghost town  
you better let go so let go let go of me  
were dead in this ghost town

you better let go so let go let go of me  
oh oh oh oh  
oh oh oh oh oh let go let go of me  
oh oh oh oh  
oh oh oh oh oh let go let go of me
