

## Turned to Real Life

Shiny Toy Guns

Eyes are magic  
See right through me  
Makes me feel like  
A girl in a fantasy  
Turned to real life  
Stars in the morning  
Makes me feel like  
A girl in a fantasy  
Turned to real life...

Now i'm glowing  
Like a sunset  
In the window  
Of my dreams  
That turned to real life  
I'll never forget when  
For the first time  
A girl in a fantasy  
Turned to real life

[Chorus]  
Makes me feel like  
A girl in a fantasy  
Turned to real life  
I'm a believer  
For the first time  
I can be beautiful  
A girl in a fantasy  
Turned to real life

Your fingers running  
Over my body  
Makes me feel like  
A silver angel  
Under the moonlight  
Right beside me  
Makes me feel like  
A girl in a fantasy  
Turned to real life...

[Chorus]x3
