

## Waiting

Shiny Toy Guns

It's not what you think  
It's not what you think  
If you're thinking I'm a liar  
Like falling from grace--  
I could do that.

And I'll be waiting all day  
And I'll be waiting all day

Summer grey...  
It's only  
And I'll be waiting all day  
It's only  
And I'll be waiting all day
