

# You Are the One

Shiny Toy Guns

Black rose and a radio fire  
It's so contagious  
Is that something changing my mind  
I'm gonna take what's evil

Your cover melting inside  
With wide eyes you tremble  
Kissing over and over again  
Your god knows his faithful

I try to digest my pride  
But passions grip I fear  
When I climb into shallow vats of wine  
I think I almost hear but it's not clear

You are the one  
You'll never be alone again  
You're more than in my head  
You're more

You are the one  
You'll never be alone again  
You're more than in my head  
You're more

Spin faster shouting out loud  
You can't steal what's paid for  
Is that something hurting again  
Murder son, she's painful

You so believe your own lies  
On my skin your fingers  
Runaway until the last time  
We're gonna lose forever

When you try, don't try to say you won't  
Try to crawl into my head  
When you cry 'cause it's all built up inside  
Your tears already said, already said

You are the one  
You'll never be alone again  
You're more than in my head  
You're more

You are the one  
You'll never be alone again  
You're more than in my head  
You're more

You'll never be alone again

You are the one  
You'll never be alone again  
You're more than in my head  
You're more

You are the one  
You'll never be alone again  
You're more than in my head  
You're more

Alone again
