

## As I Love You

Shirley Bassey

I will love you, as I love you, all my life  
Every moment spent with you  
Makes me more content with you  
Just as you are, you are all I could pray for  
All that you are, that's what I wake up each day for

Every single touch and tingle I adore  
Every kiss from you to me  
Always seems so new to me  
Each one warmer than the one before  
As I love you more and more and more

Every single touch and tingle I adore  
Every kiss from you to me  
Always seems so new to me  
Each one warmer than the one before  
As I love you more and more and more
