

As I Love You

Shirley Bassey

I will love you, as I love you, all my life
Every moment spent with you
Makes me more content with you
Just as you are, you are all I could pray for
All that you are, that's what I wake up each day for

Every single touch and tingle I adore
Every kiss from you to me
Always seems so new to me
Each one warmer than the one before
As I love you more and more and more

Every single touch and tingle I adore
Every kiss from you to me
Always seems so new to me
Each one warmer than the one before
As I love you more and more and more
