

# For Every Man There's a Woman

Shirley Bassey

For every man there's a woman  
For every life there's a plan  
And wise men know it was ever so  
Since the world began, woman was made for man  
Where is she, where is the man for me?

For every prince there's a princess  
For every joe there's a joan  
And if you wait, you will meet the mate  
Born for you alone, happy to be your own  
Where is she, where is the man for me?

Find the one, find the one  
Then together you will find the sun

For every heart there's a moment  
For every hand, a glove  
And for every woman, a man to love

Find the one, find the one  
Then together you will find the sun

For every heart there's a moment  
For every hand, a glove  
And for every woman, a man to love  
Where is he, where is the man for me?
