

Get the Party Started

Shirley Bassey

Get this party started on a Saturday night
Everybody's waiting for me to arrive
I got lots of style, check my gold diamond rings
I can go for miles if you know what I mean

I'm coming up so you better get this party started
I'm coming up so you better get this party started

Sending out the message to all of my friends
We'll be looking flashy in my Mercedes Benz
I got lotsa style, check my gold diamond rings
I can go for miles if you know what I mean
Get this party started on a Saturday night
Everybody's waiting for me to arrive

I'm coming up so you better get this party started
I'm comin' up, I'm comin'
I'm coming up so you better get this party started

Pumpin up the volume, breaking down to the beat
Cruising through the west side
We'll be checking the scene
Boulevard is freaking as I'm coming up fast
I'll be burning rubber, you'll be kissing my ass
Pull up to the bumper, get out of the car
License plate says Stunner Number One Superstar

Woww

I'm coming up so you better get this party started
I'm comin' up, I'm comin' up
I'm coming up so you better get this party started
Get this party started, get this party started,
Get this party started, get this party started

Making my connection as I enter the room
Everybody's chilling as I set up the groove
Pumpin up the volume with this brand new beat
Everybody's dancing, and their dancing for me
I'm your operator, you can call anytime
I'll be your connection to the party line

I'm coming up so you better get this party started
I'm comin' up, I'm comin' up
I'm coming up so you better get this party started
Get this party started, get this party started,
Get this party started, get this party started
Get this party started, get this party started,
Get this party started,
This party started,
Right now
