

# History Repeating

Shirley Bassey

The word is about  
There's something evolving  
Whatever may come  
The world keeps revolving

They say the next big thing is here  
That the revolution's near  
But to me, it seems quite clear  
That's it's all just a little bit of history repeating

The newspapers shout  
A new style is growing  
But it don't know  
If it's coming or going

There is fashion, there is fad  
Some is good, some is bad  
And the joke is rather sad  
That it's all just a little bit of history repeating

And I've seen it before  
And I'll see it again  
Yes, I've seen it before  
Just little bits of history repeating

Some people won't dance  
If they don't know who's singing  
Why ask your head  
It's your hips that are swinging

Life's for us to enjoy  
Woman, man, girl and boy  
Feel the pain, feel the joy  
Aside set the little bits of history repeating

Just little bits of history repeating

And I've seen it before  
And I'll see it again  
Yes, I've seen it before  
Just little bits of history repeating
