

I'd Do It All Again

Shirley Bassey

I said goodbye I said goodbye
And sent you on the way
I'm sorry now
I'm sorry now
Each long and lonely day
I want you back
I want you back
Just like you used to be
Although I know
I loved you more than you loved me
I'd do it all again
I'd do it all again
I'd walk the floor each night
I'd cry myself to sleep
I'd call myself a fool
I'd suffer all the pain
That loving you can bring

And then and then
I'd do it all again
I'd swallow all my pride
I'd run each time you call
I'd crawl for just one kiss
I'd tear myself apart
But still I'd give my heart
I'd do it all again

Where are you now
Where are you now

I keep on wondering
I'm still around
I'm still around
And still remembering
If there's a chance
One little chance
That you are lonely too
Well, here I am
Yes, here I am
Still wanting you
I'd do it all again
I'd do it all again
I'd walk the floor each night
I'd cry myself to sleep
I'd call myself a fool
I'd suffer all the pain
That loving you can bring

And then and then
I'd do it all again
I'd swallow all my pride
I'd run each time you call
I'd crawl for just one kiss
I'd tear myself apart
But still I'd give my heart
I'd do it all again
I'd do it all again

I'd do it all again
I'd do it all again
