I Should Care

Shirley Bassey

I guess I should pity me But I don't because you see I have loved and I have learned And as far as I'm concerned

I should care I should go around weeping I should care I should go without sleeping Strangley enough I sleep well 'Cept for a dream or two But then I count my sheep well Funny how sheep can lull you to sleep

I should care I should let it upset me I should care But it just doesn't get me Maybe I won't find someone as lovely as you! But I should care and I do!
