It's impossible
Tell the sun to leave the sky
It's just impossible
It's impossible

Ask a baby not to cry It's just impossible Can I hold you Closer to me

And not feel you Going through me Split the second That I never think of you

Oh how impossible
Can the ocean
Keep from rushing to the shore
It's just impossible

If I hold you
Could I ever want for more
It's just impossible
And tomorrow

Should you ask me for the world Somehow I'd get it I would sell my very soul And not regret it

For to live without your love Is just impossible Can the ocean Keep from rushing to the shore

It's just impossible
If I hold you
Could I ever want for more
It's just impossible

And tomorrow
Should you ask me for the world
Somehow I'd get it
I would sell my very soul

And not regret it
For to live without your love
Is just impossible

It's impossible
It's impossible
It's impossible
