

# Lady Is A Tramp

Shirley Bassey

I've wined and dined on mulligan stew  
On "Live at Talk of the Town" inserted: I have, I have  
And never wished for turkey  
I've hitched and hiked and drifted to

From Maine to Alberquque  
Alas I missed the beaux arts ball  
And what is twice as sad  
I was never at a party

Where they honoured Noel Coward  
On "Live at Talk of the Town":  
I was never at Barbra Streisands party - aaah  
And that make me bloody mad

A... funny girl  
On "At The Pigalle":  
Alas I'm always known as being in the pie  
I was never at Alma Cogans party

A shame  
When she honoured Ringo Starr  
On "The Birthday Concert" & video "An Audience With Shirley Bassey":  
I was never at Hugh Grants party

When he honoured the great divide - ouh  
His social circles move to fast for me  
My hoboemia is the place to be  
I get too hungry for dinner at eight

I love the theatre but never come late  
I never bother with people I hate  
That's why this lady is a tramp  
I don't like crap games with barons and earls

Won't go to Harlem in ermine and pearls  
Won't dish the dirt with the rest of those girls  
That's why this lady is a tramp  
I like the free fresh wind in my hair

Life without care  
I'm broke... that's oke  
Hate California, it's cold and it's damp  
That's why this lady is a tramp

I like the free fresh wind in my hair  
On "Live at Talk of the Town": I like the free fresh wind in my wig  
Life without care  
I'm broke... that's oke

Hate California, it's cold and it's damp  
That's why this lady is a tramp  
And I love it  
Yes, I'm a tramp, and I love it

And I wish that you will come in my way yeah  
I wish that you will come in my way yeah

I wish that you will come in my way  
Yes, I'm a lady

But a tramp
