

# Let's Stay Together

Shirley Bassey

I, I'm so in love with you  
Whatever you want to do  
It's all right with me  
'Cause you make me feel so brand new  
And now, I want to spend my life with you  
Since, since we've been together  
Loving you forever  
Is what I need  
Let me be the one you come running to  
And I'll never ever be untrue

Let's, let's stay together  
Loving you forever  
Whether times are good or bad, happy or sad

Why, why do people break up  
Turn around and make up  
I just can't see  
But you'll never do that to me  
Being around you is all I see

Let's, let's stay together  
Loving you, whether -  
Times are good or bad, happy or sad

Let's, let's stay together  
Loving you, whether -  
Times are good or bad, happy or sad  
Good or bad, happy or sad

Let's, let's stay together
