

Mi Amor

Shirley Bassey

What is this feeling I can't describe?
What is this fire burning inside?
I've never known a love like this
and it began with our first kiss

Mi Amor
Mi Amor
You're the one I've been searching for
Come with me and make this night together
last until forever
Mi Amor

Te necesito
I need you
All night and all day
Un poco más cerca
A bit closer
I'll show you the way
to capture this moment for all time
forever yours forever mine

Mi Amor
Mi Amor
You're the one I've been searching for
Come to me and let this dance together last until forever
Mi Amor

Cease by devotion
as I look at your face in the moonlight
Love is in motion
for tonight is the night that we both have been dreaming would
come

When love expires two hearts to share
filled with desire two lovers dare
bound by a passion and embrace
body to body face to face

Mi Amor
Mi Amor
You're the one I've been searching for
come with me and let's make love together
our love is forever
