## So in Love

## **Shirley Bassey**

Strange dear, but true, dear When I'm close to you, dear The stars fill the sky So in love with you am I

Even without you

My arms fold about you

You know, darling, why

So in love with you am I

In love with the night mysterious
The night when you first were there
In love with my joy delirious
When I knew that you could care

So taunt me and hurt me
Deceive me, desert me
I'm yours 'til I die
So in love
So in love
So in love with you, my love, am I
