Shirley Bassey

Baby  
Morning's just a moment away  
And I'm without you once again  
You laughed at me  
You said you never needed me  
I wonder if you need me now

We played the games that people play  
We made mistakes along the way  
Somehow I know deep in my heart  
You needed me

Remembering the pain, if I must stay  
It's deep in my mind, and locked away  
But then most of all  
I Do Love You  
Still

Memories  
Times I'm sure, will never forget  
Those feelings we can't put aside  
For what we had  
Sometimes I try to understand  
But it's so heavy on my mind

So many dreams that flew away  
So many words we didn't say  
Two people lost in a storm  
Where did we go?  
Where'd we go?  
Lost what we both had found  
You know we let each other down  
But then most of all  
I Do Love You  
Still

We played the games that people play  
We made mistakes along the way  
Somehow I know deep in my heart  
You needed me  
'Cause I needed you so desperately  
We were too blind to see  
But then most of all  
I do love you  
Still
