

# The Lady is a Tramp

Shirley Bassey

I've wined and dined on mulligan stew  
on "Live at Talk of the Town" inserted: I have, I have  
And never wished for turkey  
I've hitched and hiked and drifted to  
From Maine to Albuquerque  
Alas I missed the beaux arts ball  
And what is twice as sad  
I was never at a party  
Where they honoured Noel Coward  
on "Live at Talk of the Town":  
I was never at Barbra Streisands party - aaah  
And that make me bloody mad  
a ... funny girl  
on "At The Pigalle":  
Alas I'm always known as being in the pie  
I was never at Alma Cogans party  
A shame  
When she honoured Ringo Starr  
on "The Birthday Concert" & video "An Audience With Shirley Bassey":  
I was never at Hugh Grants party  
When he honoured the great divide - ouh  
His social circles move to fast for me  
My hoboemia is the place to be  
I get too hungry for dinner at eight  
I love the theatre but never come late  
I never bother with people I hate  
That's why this lady is a tramp

I don't like crap games with barons and earls  
Won't go to Harlem in ermine and pearls  
Won't dish the dirt with the rest of those girls  
That's why this lady is a tramp

I like the free fresh wind in my hair  
Life without care  
I'm broke... that's oke  
Hate California, it's cold and it's damp  
That's why this lady is a tramp

I like the free fresh wind in my hair

on "Live at Talk of the Town": I like the free fresh wind in my wig  
Life without care  
I'm broke... that's oke  
Hate California, it's cold and it's damp  
That's why this lady is a tramp  
And I love it  
Yes, I'm a tramp, and I love it  
And I wish that you will come in my way yeah  
I wish that you will come in my way yeah  
I wish that you will come in my way  
Yes, I'm a lady

But a tramp
