

The Second Time Around

Shirley Bassey

Love is lovelier, the second time around
Just as wonderful with both feet on the ground
It's that second time you hear your love song sung
Makes you think perhaps that love like youth is wasted on the young

Love is more comfortable the second time you fall
Like a friendly home the second time you call
Who can say what led us to this miracle we've found
There are those who'll bet love comes but once and yet
I'm oh, so glad we met the second time around

Love's more comfortable the second time you fall
Like a friendly home the second time you call
Who can say what led us to this miracle we've found
There are those who'll bet love comes but once and yet
I'm oh, so glad we met the second time around
