## **This Masquerade**

**Shirley Bassey** 

Are we really happy with this lonely game we play Looking for words to say Searching but not finding, understanding anyway We're lost in a masquerade

Both afraid to say we're just too far away From being close together from the start We tried to talk it over, but the words got in the way We're lost inside this lonely game we play

Thoughts of leaving disappear every time I see your eyes No matter how hard I try To understand the reasons why we carry on this way We're lost in a masquerade

Both afraid to say we're just too far away From being close together from the start We tried to talk it over, but the words got in the way We're lost inside this lonely game we play

Thoughts of leaving disappear every time I see your eyes No matter how hard I try To understand the reasons why we carry on this way We're lost in a masquerade Masquerade Masquerade Masquerade
