

(Where Do I Begin) Love Story

Shirley Bassey

Where do I begin?
To tell the story of how great a love can be
The sweet love story that is older than the sea
The simple truth about the love he brings to me
Where do I start?

Like a summer rain
That cools the pavement with a patent leather shine
He came into my life and made the living fine
And gave a meaning to this empty world of mine
He fills my heart

He fills my heart with very special things
With angels' songs, with wild imaginings
He fills my soul with so much love
That anywhere I go, I'm never lonely
With him along, who could be lonely
I reach for his hand, it's always there

How long does it last?
Can love be measured by the hours in a day?
I have no answers now, but this much I can say
I'm going to need him till the stars all burn away
And he'll be there

He fills my heart with very special things
With angels' songs, with wild imaginings
He fills my soul with so much love
That anywhere I go, I'm never lonely
With him along, who could be lonely
I reach for his hand, it's always there

How long does it last?
Can love be measured by the hours in a day?
I have no answers now, but this much I can say
I'm going to need him till the stars all burn away
And he'll be there
