

Where or When

Shirley Bassey

It seem we stood and talked like this before
We looked at each other in the same way then,
But I can't remember where or when.

The clothes you're wearing are the clothes you wore.
The smile you are smiling you were smiling then,
But I can't remember where or when.

Some things that happend for the first time,
Seem to be happening again.

And so it seems that we have met before
and laughted before
and loved before,
But who knows where or when
