

Who Wants to Live Forever

Shirley Bassey

There's no time for us
There's no place for us
What is this thing that builds our dreams, yet slips away from
us
Who wants to live forever?
Who wants to live forever?

There's no chance for us
It's all decided for us
This world has only one sweet moment set aside for us

Who wants to live forever?
Who wants to live forever?

Who dares to love forever, when love must die?

But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is our today

Who wants to live forever?
Who wants to live forever?
Who wants to live forever?
