

## With One Look

Shirley Bassey

They don't want me anymore  
They all say I'm through  
Well, it's time they knew  
With one look, I can break your heart  
With one look, I play every part  
I can make your sad heart sing  
With one look, you'll know all you need to know  
With one smile, I'm the girl next door  
Or the love that you've hungered for  
When I speak, it's with my soul  
I can play any role  
No words can tell the stories my eyes tell  
Watch me when I frown, you can't write that down  
You know I'm right, it's there in black and white  
When I look your way, you'll hear what I say  
Yes, with one look, I put your words to shame  
Just one look sets the screen aflame  
Silent music starts to play  
One tear from my eye makes the whole world cry  
With one look, they'll forgive the past  
They'll rejoice, I've returned at last  
To my people in the dark  
Still out there in the dark  
Silent music starts to play  
With one look, you'll know all you need to know  
With one look, I'll ignite a blaze  
I'll return to my glory days  
They'll say, Norma's back at last  
This time I'm staying, I'm staying for good  
I'll be back where I was born to be  
With one look, I'll be me
