

Return To Paradise

Shirley Horn

Come my love with me
across the sea,
return to paradise.

All in life worthwhile
is on that isle,
return to paradise.

Velvet moon above
evil turns to love,
love, evermore.

Come my love and find
your peace of mind,
return to paradise.

Velvet moon above
evil turns to love,
love, evermore.

Come with me and find
your peace of mind,
return to paradise.
