

# Deepest Hurt

Shola Ama

Uummm yeah  
Uummmm yeah

There was a time when I adored you  
But I was too blind in love to see  
That it wasn't we it was only me  
Giving in to every word you said  
I'm loving you but my heart can't pretend  
When your feelings just haven't been there  
So if you want to go I won't follow you  
I guess I'm not the one to make your dreams come true  
If you want my love I got to let you go  
Cause your loving is the deepest hurt of all

Where was the life we had before  
There was a place in your heart I could call home  
Now I find my place has gone to somebody else  
I let you go cause I can't take no more  
I'm loving you but my heart can't pretend  
When your feelings just haven't been there

So if you want to go I won't follow you  
I guess I'm not the one to make your dreams come true  
If you want my love I got to let you go  
Cause your loving is the deepest hurt of all

Sometimes in life things don't work out right  
Thought I was meant for you  
If I could find a way to turn back time  
I would make it so that every day in every way you still could be mine

La dada ladadadah

Loving is the deepest hurt  
Loving is the deepest hurt

So if you want to go I won't follow you  
I guess I'm not the one to make your dreams come true  
If you want my love I got to let you go  
Cause your loving is the deepest hurt of all  
Your loving is the deepest hurt of all  
So if you want to go I won't follow you  
I guess I'm not the one to make your dreams come true  
If you want my love I got to let you go  
Cause your loving is the deepest hurt of all  
Your loving is the deepest hurt yeah

So if you want to go then I won't follow you  
I guess I'm not the one to make your dreams come true  
And if you want my love I got to let you know

Cause your loving is the deepest hurt

Loving is the deepest hurt  
Loving is the deepest hurt
