

# Granny's Yard

Shola Ama

I remember growing up at granny's yard  
In the 80's, playing hop-scotch  
And running away from the neighbors dog  
Body pupin with the bogglo break force

Glow worms, garbage pal kids  
So extreme and paise we be  
Carnivals in pasons green  
The days, when we used of been care free

Stuff can't touch the A team  
Barbie dolls toy jeans  
Tom and jerry every scene, BMX down street  
Wonder Woman on magazines

Michael Jackson on MTV  
Charlie Brown snoopy those was the days  
Now I'm 16 drama queen  
Some stages sining Buggy, everybody
